Cc: Anna Diaz <adiaz@ywhi.org>, Emely Perez <eperez@ywhi.org>, Laura Sanchez <lsanchez@ywhi.org>

Dear Families of children in room 210,

We just heard that a member of the class 210 community, who was in school today, has tested positive for COVID19.

Unfortunately, the class will need to quarantine for five days.

Please see the most recent protocol for the shortened quarantine period.

Children ages two through five years old who were exposed to someone who tested positive for COVID19 only need to quarantine for 5 days.

The children can return to school on Day 6 if they have a negative COVID-19 test from a health care provider on Day 5 OR two negative home test results from Day 4 and Day 5 and have no COVID-like symptoms. The children should continue wearing well-fitting masks upon their return to the program.

Everyone who tests negative and has no symptoms can return to school on Tuesday, May 24th.

We will transition to remote learning in the meantime.

The teachers will contact you with links to virtual learning activities.
